

COMMUNICATION TOOLKIT

What this toolkit can be used for:

This is a general tool that can be used to help people, understand concepts within the assessment process, it uses symbols rather than photographs to meet a wider audience of people who have communication difficulties, it should be used as part of the understanding process rather than a replacement to talking or communicating.

Ideally its best used in a portrait format, laminated and bound, page 3 and 10 are your doodle pages, use it with dry wipe markers for you or your client to use however you please.

This toolkit isn't a catch all to all communication issues but is a useful tool to have to hand when needed. If you have any feedback about the toolkit please feel free to email admin@advocacyfocus.org.uk or call 0300 323 0965.
